

CIES 2022 Submission Instructions for Formal Paper Presentation

Online Submission Deadline: October 20th, 2021, 23:59 hrs. EDT.

What is an individual paper proposal?

Individuals can submit an individual paper proposal. Individual proposals are evaluated by a blind peer review, and if they are accepted, the Unit Planners combine them with other individual submissions to create a panel.

Before you begin, please note: You will not be able to save a proposal in the system in order to continue working on it at another time. You must first submit the proposal and then you will be able to edit it. When you have submitted it correctly, you will see a confirmation message on your screen, and you will receive an email. You will be able to edit the proposal until the deadline of **October 20th, 2021, 23:59 hrs, EDT.**
